

Improve your recycling IQ

We can all help Jefferson County recycle smarter!

Where does our recycling go?

By carefully sorting our recycling, 95-98% becomes a new product!

(with one-can recycling, like Seattle, only 60-85% gets recycled due to contamination)

... works hard to find nearby reliable markets for our recycling, saving us money, precious resources, and reduces our carbon footprint!

Unwaxed Cardboard

Mixed Paper

Longview, WA

Glass

Seattle, WA

Plastic

Tacoma, WA

Aluminum Cans & Foil

Tacoma, WA

Tin/steel Cans

Tacoma, WA

Plastic Bags - put in special drop boxes at Safeway or QFC, NOT in recycling bins!
