

What to Recycle

Glass

GLASS NO LONGER ACCEPTED
Clean bottles and jars ONLY
Labels OK

DECEMBER 1, 2024
NO blue glass
NO other glass
NO dirty containers!
Dispose as trash

Plastic and Cans

ONLY bottles & jugs
NO lids
NO other plastics!

Metal cans
NO loose lids

NO used plastic bottles for motor oil, antifreeze, weed killer, etc.

*see back page for more info

Recycling **MUST BE** rinsed thoroughly, empty, and loose in the bins—not bagged!

Corrugated Cardboard

Look for the wavy lines

CLEAN CORRUGATED CARDBOARD
NO food, wax or plastic coating

Curbside service: bundle & tie
For all: flatten

Mixed Paper

Boxes, paper bags, newspaper, magazines, office paper, junk mail

If it's not on this list, we can't recycle it! No "wish cycling" please!

Recycling and Household Hazardous Waste drop-off locations

Jefferson County Recycling Center (Skookum Contract Services)	301 County Landfill Road, off Jacob Miller Road just outside of Port Townsend. Tuesday - Friday 8:30am-4:30 pm; Saturday 8:30am-5:00 pm, except County holidays. Skookum also offers household and commercial paper shredding and electronics recycling services. 360-385-7678.
Quilcene Drop Box Facility	295312 Highway 101, south of the U.S. Forest Service Ranger Station. Thursday & Friday 8:30am-Noon and 12:30-4:30pm; Saturday 8:30am-Noon and 12:30-5:00pm. Closed County holidays.
Port Hadlock	202 Elkins Road. Open 24 hours/7 days a week.
Kala Point	20 Village Drive. Open at the discretion of the Village Association.
Port Ludlow Village Center	40 Village Way. Open 24 hours/7 days a week.
Household Hazardous Waste Program	Collection events will be held throughout Jefferson County. Refer to www.jeffersoncountysolidwaste.com for the next event.

If an item is not on our list, it's not recyclable in Jefferson County!

Separating our recycling ensures it is recyclable and reduces contamination.

Want to make a difference? Try this inverted waste pyramid:

Zero Waste Shopping

*Recycle plastics by TYPE, not by NUMBER

Numbers are outdated and misleading. They were not created to tell whether something is recyclable. They stand for which resin is the primary ingredient in the plastic. Any plastic besides bottles and jugs **contaminates** the load!

- Prescription pill bottles are **NOT** recyclable.
- Empty plastic bottles that contain hazardous materials like motor oil, antifreeze, weed killer, etc. go in the trash.

Compact fluorescent bulbs and tubes

They can be dropped off locally at the Jefferson County Recycling Center, HHW facility, and the Quilcene Dropbox Facility.

DO NOT put them in glass recycling. Due to their mercury content, **they are hazardous waste!**

Batteries

- Lithium, button, and rechargeable batteries can be recycled at Solid Waste facilities and the Public Works office.

These are **FIRE HAZARDS** in the landfill!

- Alkaline batteries are considered safe to put in the trash. They are **NOT** recyclable.
